

# MAPLE LODGE NEWSLETTER

---

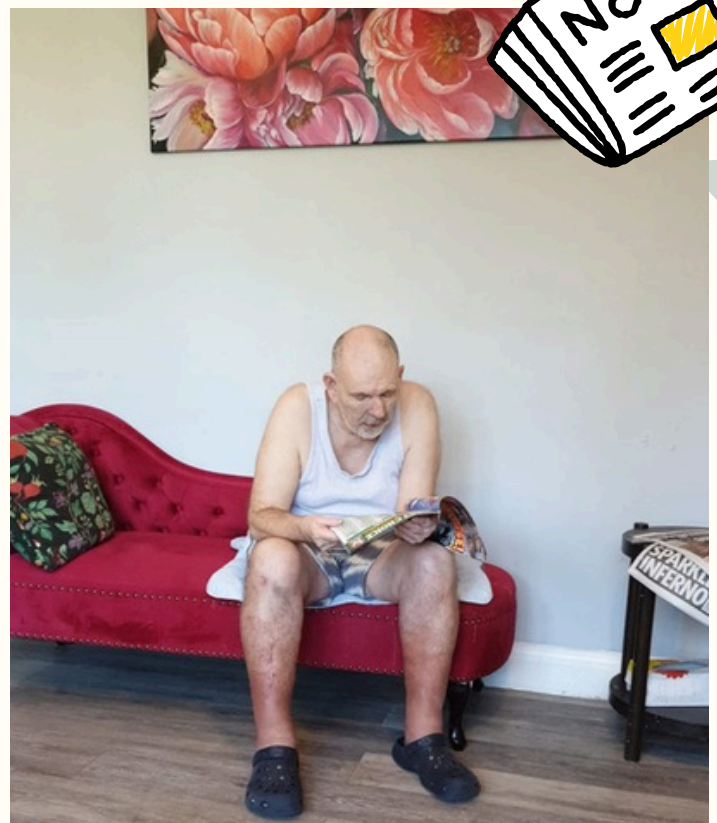

JANUARY  
2026

"Living together, dreaming apart. Just  
three people finding a common orbit at  
Maple Lodge."

"The ML's loudest critic and kindest soul.  
RG lives for the daily headlines, the perfect  
batter, and a strict 'no-PJs' policy."

From ironing pleats to perfecting recipes, RG handles it all—but his heart belongs to his watch collection. A man of style, service, and the perfect timepiece.

"You might know me for my moves on the dance floor, but I'm just as rhythmic in the kitchen. I love to bake—the messier it gets, the better the cake. Life is meant to be lived out loud and covered in flour!"

# Time TO BAKE

"Some things only get better with time. 18 years of friendship with LC and counting! There is truly nothing I love more than the days we meet up to catch up on life and share a laugh."

"A soul fueled by music and the rhythms of Bob Marley. DP is always ready for a long chat over a cup of tea and loves nothing more than spending quality time with her friends at WL."

He treats me  
like a queen,  
so it was time  
to introduce  
my King. Say  
hi to  
Stephen. 👑

"Thanks for reading! 💡 We're taking a short break to cook up something special. We'll see you in a few months for more ML adventures and new memories. Stay curious! 🚀"
