# OUR SUCCESS STORY

**2025 Started and ended with so many sparks of joy as we had a lot of our activities planned which includes sporting, bbq and outdoor activities. Welcome to the new year**

Our home was filled with energy and laughter! We savored homemade meals, stayed active in the gym, expressed ourselves through creative art sessions, and ventured out on exciting adventures. We also embraced new experiences, like going to karaoke at Box Park, stepping out of our comfort zones and having so much fun together. Most importantly, we strengthened our bonds and created lasting memories that we'll cherish for years to come.

# ABIGAIL EDLER

Meet Abigail, our bright and cheerful companion! She may not have cats, but she has a wonderful collection of dolls that mean the world to her. Always drawn to places where fun and exciting activities are happening, Abigail brings joy and energy wherever she goes. Curious by nature, she loves to ask questions and engage with everyone around her. With her warm smile and friendly spirit, Abigail adds happiness, laughter, and a special spark to every day.

# Olivia Dyer

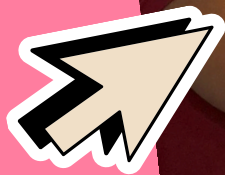

Meet Olivia Dyer, a joyful and energetic presence who loves being right in the middle of all the fun. She's always happy when there are activities to enjoy, people to laugh with, and moments to celebrate. Olivia brings a warm, friendly spirit wherever she goes, making everyone around her feel welcome and comfortable. With her bright smile and positive energy, she adds happiness, excitement, and a special glow to every day.

# HOLIDAY VIBES

It's a wonderful chance to share gifts during Christmas, create lasting memories, and celebrate with friends and caregivers, helping us feel connected through joy and generosity.
