LOUIS BENJAMIN

Louis enjoys an active lifestyle and is always keen to take part in fun experiences both at home and in the community. Bowling is one of his favourite activities, and he also enjoys golfing, where he continues to build his confidence while having a great time.

Exploring London is another activity Louis looks forward to. He enjoys visiting well-known landmarks, with the London Eye being one of his favourite places to take in the spectacular views of the city.

Whether he's enjoying a game of bowling, discovering London's attractions, or spending time out with others, Louis embraces every opportunity with enthusiasm and always looks forward to his next adventure

BRADLEY RANGER

Bradley enjoys getting out into the community and taking part in activities that match his interests. One of his favourite ways to spend the day is visiting local parks, where he enjoys feeding the birds, taking in the fresh air, and relaxing in peaceful surroundings.

Bradley has a real passion for vehicles and enjoys visiting transport museums, mechanic workshops, and places where he can see different types of cars up close. He also enjoys sightseeing around London, exploring famous landmarks, and discovering new places along the way.

These outings bring Bradley a great deal of happiness and give him the opportunity to enjoy his interests, build confidence, and make lasting memories with those around him.

J.E

JE has recently joined Lavender Lodge and has settled into his new home remarkably well. He has quickly become familiar with his surroundings and is building positive relationships with both staff and fellow residents.

JE enjoys keeping active and regularly takes part in swimming sessions and gym visits, which help him stay fit, healthy, and motivated. He is also doing well with his daily routines and takes pride in helping with household chores, showing a growing sense of independence and responsibility.

It has been wonderful to see JE settle so confidently, and we look forward to supporting him as he continues to thrive and enjoy new experiences at Lavender Lodge.
