KYLE

JACK CLARKE

Jack is a gentle, kind-hearted resident who brings a calm and friendly presence to Orchard Lodge. He enjoys spending time with his favourite toys and finds comfort in familiar routines and activities. Jack values the company of others and loves sharing moments with the people around him. His warm nature and appreciation for companionship make him a valued member of our Orchard Lodge family.

Jack enjoys getting out into the community and taking part in a variety of fun activities. Swimming is one of his favourite ways to relax and stay active, while bowling always brings out his smile and sense of fun. He also loves exploring London, visiting different places, taking in the sights, and enjoying new experiences. These outings help Jack build confidence, stay active, and create happy memories with the people around him.

TRAVIS WESLEY

Hi, I'm Travis, and I enjoy spending my free time gaming on my PS5 and Xbox. I'm also a big fan of retro games and love revisiting old classics. Whether I'm relaxing in my room or playing online with friends, gaming is one of my favourite ways to unwind.

I enjoy having my own space and am quite independent. I regularly go shopping on my own and love eating out every weekend, trying different places and enjoying good food. One of my biggest interests is Japanese history, and I enjoy learning new facts and sharing what I know with others.

I also enjoy spending quality time with my family. We often go out together to watch exciting car races and horse racing events, and I love exploring new places in the community. Whether I'm gaming, shopping, dining out, or enjoying a day with my family, I always make the most of every experience.

KEVIN

OLIVER

Hi, I'm Kevin, and I'm proud to call Orchard Lodge my home. I enjoy being part of our friendly community and spending time with the people around me. Whether I'm chatting with staff or catching up with the other residents, I always enjoy good company and keeping busy throughout the day.

Staying active is an important part of my routine. I attend work twice a week, which I really enjoy, and I regularly go to the gym to keep fit and healthy. I also love getting involved in community activities like bowling, where I enjoy a bit of friendly competition and spending time with friends. Every day brings new opportunities to stay active, social, and make the most of life at Orchard Lodge.
